IN RE:  REINBECK MUNICIPAL TELECOMMUNICATIONS UTILITY	DOCKET NOS. TCU-01-5 TF-01-274
	CERTIFICATE NO. 0239

**CERTIFICATE**

(Issued October 5, 2001)

On April 13, 2001, the Utilities Board (Board) issued an order granting an application for a certificate of public convenience and necessity, pursuant to Iowa Code § 476.29 (2001), to Reinbeck Municipal Telecommunications Utility (Reinbeck). In the order, the Board approved the concurrence of Reinbeck in certain exchange maps of Iowa Telecommunications Services, Inc., d/b/a Iowa Telecom (Iowa Telecom), and stated that Reinbeck would be issued a certificate when it had obtained an approved tariff on file with the Board.

On September 4, 2001, Reinbeck filed a proposed tariff that contained the terms, conditions, and rates for local exchange service and listed the exchanges where Reinbeck intended to provide service. The proposed tariff has been identified as Docket No. TF-01-274. An order approving the proposed tariff and issuing a certificate is being issued concurrently with this certificate. Since Reinbeck will have an approved tariff to provide local exchange service, the Board will issue Certificate

No. 0239 authorizing Reinbeck to provide local exchange service in the Iowa  
Telecom exchanges.

**IT IS THEREFORE ORDERED:**

This certificate of public convenience and necessity, issued pursuant to Iowa  
Code § 476.29 (1) (2001), authorizes Reinbeck Municipal Telecommunications Utility  
to furnish local telephone service in the exchanges as shown by its tariffs as currently  
and subsequently approved.
